

LA MAR GUISADA

The background of the entire page is a deep, dark blue. It is adorned with several large, abstract, organic shapes that resemble biological or geological structures. These shapes are rendered in lighter shades of blue and white, creating a textured, almost painterly effect. One shape in the upper left has horizontal, wavy bands. Another in the upper right has a dense, stippled texture. A large, elongated shape in the center-right has a pattern of small, dark spots. In the lower left, there are several long, curved, ribbed structures. On the far right, there are vertical, wavy lines.
